My name is Evelyn Ng and I am an Illustrator and Graphic Designer from New York. My focus is concept art and comics.

Relevant Experiences

New Dawn Charter Highschool

Jun 2022 - Present

Aspiring Teacher

- Create lesson plans on chalk for three advisory classes with differentiation for students based on their learning needs
- Planned school events as a participant of the student event committee
- Support staff members as a co-teacher, push in and substitute
- Communicate with mentees regularly

CUNY Emerging Scholars Program

Mar 2021 - Apr 2021

Illustrator

- Collaborated with an art director, design team, and a STEM professional to create two chapter illustrations and render a cover for a scientific research manual
- Illustrated a comic about the researched properties of soil for undergraduate engineering students
- Designed the layout of poster to support the abstract with a visual of the experiment procedures to present to fellow undergraduate researchers

CUNY Recovery Corps Internship

Aug 2021 - Aug 2021

Illustrator

- Collaborated with a STEM professional to create three chapter illustrations for a scientific research manual

Faculty Commons Graphic Design

Aug 2021 - Jun 2022

Intern

- Designed posters and web banners for events at City Tech
- Communicated with clients to set up a meeting
- Collaborated with the design team in order to create deliverables

Leadership experience

CUNY First Year Learning Community

Aug 2019-Aug 2021

Peer Mentor

- Crafted newsletters for a classroom of about 30 first-year mentees each semester to inform them of upcoming deadlines, events on campus and resources via email
- Facilitated at least three class presentations on topics such as registration, time management, note taking, and study tips workshops to ensure that they have skills to succeed in college
- Updated social media accounts such as Discord and Instagram.
- Created channels, held office hours, weekly informational posts and story updates
